

# Become a Member of The State's Official Celebration

NEBRASKAland DAYS offers an experience of a lifetime for visitors and local citizens alike. Creating the perfect atmosphere to showcase the unique history of Nebraska, this event continues to exceed expectations and is inviting you to become a part of the tradition.

Each year this organization strives to create a memorable and visitor-friendly celebration through a variety of events. In 2008, NEBRASKAland DAYS drew more than 169,000 visitors from 14 states and 3 foreign countries to generate nearly \$8 million in direct travel & tourism expenditures for Western Nebraska.

A Sustaining Membership allows individuals and businesses to choose their best level of participation and provides them with the opportunity to not only impact the 10 day celebration but the ability to invest in rural economic development.

While possible to join anytime prior to the celebration, if you become a Sustaining Member before November 12, 2008 you will be eligible for early ticket purchase.
